

OKLAHOMA CITY'S WHOLESALE DISTRICT GROWING EVERY DAY TO SERVE YOU

MANUFACTURES OF CITY REACH TO \$23,000,000

Oklahoma City's Factory List
Includes 200 Establishments.

ABOUT 3,000 ARE
NAMED ON PAYROLL

Capital Invested in Oklahoma
City Amounts to Approximately \$12,000,000.

Without the aid of any special census of population Oklahoma City is a factor that is a growing reality. The opening of the first and most important new assembly plant, April 27, 1935, the latest addition to the city's industrial base, is a good example of the growth of the city's manufacturing district.

Capital invested in Oklahoma City amounts to approximately \$12,000,000. The number of establishments is more than 200.

About 3,000 men and women are employed in the city's factories. The payroll for the first three months of 1935, an actual payroll of \$1,000,000, both the number of persons employed and the average wage has shown substantial increases within the past year.

The output of the city's factories during the past year has been \$22,000,000, an estimated value of \$23,000,000.

Most of the factories are located in the city's industrial district. The factories there are the largest ones. The factories in the city's industrial district are the largest ones.

With five factories in the city's industrial district, the city's industrial district is the largest one in the city.
